The Pangolin Armoured Personnel Carrier (APC) was developed for the Police Service of Northern Ireland as a replacement for their ageing fleet of armoured Land Rovers.

PANGOLIN

The Pangolin Armoured Personnel Carrier (APC) was developed for the Police Service of Northern Ireland as a replacement for their ageing fleet of armoured Land Rovers. At present we have manufactured and supplied 120 Pangolins in service with the PSNI. The Pangolin is a high specification vehicle with B6 armouring, GIG panels, composite roof, corrosion resistant galvanised components, up-rated suspension & brakes, fuel tank fire proofing, windscreen/bonnet fire suppression.
